Village Manager Kathleen Gill Announces Retirement in January 2027

The Village of Mamaroneck announces that Village Manager Kathleen Gill will retire from her position, with her last day of service on January 8, 2027. Gill has served as Village Manager since December 2024 and has dedicated 30 years to public service.

“After 30 years in public service, I am ready to pursue new professional opportunities,” said Gill. “Serving Mamaroneck has been a privilege, and I am proud of what we have accomplished together, particularly our efforts to address flood mitigation and restore the Village’s fiscal stability. None of our accomplishments would have been possible without the efforts of our talented and tireless staff.”

Gill also thanked the Mayor and Board of Trustees for the opportunity to serve, along with the Village’s employees, volunteers, and community partners for their dedication. She expressed appreciation to residents and business owners for sharing their ideas and concerns and taking an active part in the life of the Village.

“We have appreciated working with Kathleen and the experience and perspective she has brought to the Village,” said the Mayor and Board of Trustees. “Her willingness to take on challenging issues and her dedication to our community and Village staff have meant a great deal. We thank her for her service and wish her every success and happiness as she begins this next chapter.”

“I will look back on my time in Mamaroneck with gratitude,” said Gill. “Thank you for the privilege of serving as your Village Manager.”

In the months ahead, Gill will work with the Board of Trustees and Village staff to support a smooth transition and maintain continuity in Village services and ongoing projects. The Village will share additional information with residents as it becomes available.

About the Village of Mamaroneck

Incorporated in 1895, the Village of Mamaroneck is a vibrant waterfront community located on Long Island Sound in Westchester County, New York. Originally established to unite growing neighborhoods on both sides of the Mamaroneck River, the Village has evolved from a small farming community into a diverse, thriving, and growing community.

Known as "The Friendly Village," Mamaroneck is home to a rich mix of cultures, historic neighborhoods, and scenic waterfront areas. Harbor Island Park and the Village's harbor serve as focal points for recreation, boating, community events, and waterfront enjoyment.

Mamaroneck operates under a Council-Manager form of government, with an elected Mayor and Board of Trustees establishing policy and a Village Manager overseeing daily operations. With a strong commitment to community engagement, public service, and the best interest of its residents, the Village continues to honor its history while embracing opportunities for growth and innovation.
