Hi,

I believe in those cases those former elected officials had medical for 10 years while working/servicing with the Village.

I have to check, but I am not sure he always had medical with the Village especially for the 10 years. So, I am not sure how that would apply to him if he is not enrolled currently with the medical.

please see the below. Past practice has been, employees who retire with more than 10 years of service or leave office are entitled to health benefits. I believe Norm Rosenblum and Dan Natchez have received this benefit.
