

# Boston Post Road Complete Streets Survey

**We want to hear from our community!**

The New York State Department of Transportation (NYSDOT) is evaluating proposed roadway, safety, and infrastructure improvements along Boston Post Road in Larchmont and Mamaroneck, from the New Rochelle border to the City of Rye border.

We invite community members to share their comments, questions, and concerns by completing the survey by **Friday, October 30, 2026**.

All responses will be reviewed by the Village and forwarded to NYSDOT's project team for consideration.
